

The Georgia Collaborative ASO and the Department of Behavioral Health and Developmental Disabilities (DBHDD) present:

Clinical Q&A Webinars

DBHDD and the Collaborative invite you to attend these informational, structured question and answer webinars designed to assist providers in learning more about clinical processes under the new GA Collaborative ASO.

Please plan to attend both webinars, as the information presented will be too extensive to cover completely during the first session. The topics for this training series is as follows:

- Welcome
- Introductions
- Administrative and Clinical Workflow review
- Registration Field Review
- Authorization Field Review
- Discharge Field Review
- Structured Q&A

Please note that these sessions are targeted to Behavioral Health providers

Click the link(s) below to register for each date

These presentations are being offered:

[Friday, August 14, 2015– 9AM-11AM](#)

And

[Wednesday, August 26, 2015 – 10AM-12PM](#)

After registering, you will receive a confirmation email containing information about joining each webinar and how to submit your questions to the collaborative for the structured Q&A portion.
