

The Georgia Collaborative ASO and the Department of Behavioral Health and Developmental Disabilities (DBHDD) present:

Intellectual and Developmental Disability Informational Webinar

As announced in the May 22, 2015 Provider Update, the implementation strategy for certain services provided by the Georgia Collaborative ASO has been modified. DBHDD and the Collaborative invite you to attend an informational webinar to discuss the information provided in the update and learn additional details regarding the path ahead.

This webinar will offer participants the following information:

- Brief Overview of the Collaborative's role and function
- Overview of Provider Network Management activities
- Overview of Quality Management framework
- Question and Answers

Please note:

***This session is targeted to Intellectual and Developmental Disability providers.
A similar webinar for providers of Behavioral Health has been offered in
June 2015.***

Register Today!

This presentation is being offered on [Tuesday, June 16, 2015 - 10AM-11AM](#)

After registering, you will receive a confirmation email containing information about joining the webinar.
