

**The Georgia Collaborative ASO and Beacon Health Options
Present**

A PASRR Information Session

The Georgia Collaborative ASO and DBHDD invite you to attend this informational webinar designed to provide an overview of the Preadmission Screening and Resident Review (PASRR) process. Effective July 1, 2015, the Georgia Collaborative ASO will assume responsibility for PASRR.

Topics will include:

- Introductions
- Overview of PASRR
- ProviderConnect overview
- Questions

DBHDD has chosen an Administrative Services Organization (ASO) to support its vision to create easy access to high quality services for individuals throughout Georgia. Beacon Health Options, Behavioral Health Link, and Delmarva have partnered to create the Georgia Collaborative ASO. This partnership exists to create measurable improvements for individuals, providers, advocates and communities. The implementation of the ASO is underway; this webinar will serve as a preview of the features and services that will be offered.

After registering, you will receive a confirmation email containing information about joining the webinar.
