

**The Georgia Collaborative ASO and the Department of Behavioral Health and Developmental Disabilities (DBHDD) present:**

**Behavioral Health Provider Update: The Georgia Collaborative ASO**

As announced in the May 22, 2015 [Provider Update](#), the implementation strategy for certain services provided by the Georgia Collaborative ASO has been modified. DBHDD and the Collaborative invite you to attend one of our informational webinars to discuss the information provided in the update and provide additional details regarding the path ahead.

This webinar will provide an overview of the implementation activities that will occur over the course of the coming months, brief summaries of provider processes and protocols during the phased implementation, and upcoming trainings for the provider network.

Topics will include:

- Introductions
- Brief overview of the Collaborative's role and function
- Implementation timeline
- Provider processes and protocols: July 1 and ongoing
- Upcoming informational and training sessions
- Questions & Answers

***Please note that this session is targeted to Behavioral Health Providers. A similar webinar for providers of Intellectual and Developmental Disabilities providers will be offered in June 2015.***
